

**UNITED STATES ENVIRONMENTAL PROTECTION AGENCY**

WASHINGTON, D.C. 20460

December 21, 2017

I have reviewed the draft Federal Register Notice, "Availability of the Systematic Review Protocol for the Chloroform Integrated Risk Information System (IRIS) Assessment," and approve it for release.

A handwritten signature in dark ink, appearing to read "R. Yamada", is positioned above the typed name.

Richard Yamada, Ph.D.  
Deputy Assistant Administrator for Research & Development  
Office of Research and Development  
U.S. Environmental Protection Agency
